Proposed Emergency Communications Tower Public Notice

Henderson County proposes registering an antenna structure with the Federal Communications Commission. The proposed structure is a lattice tower that is at an elevation of 2474 feet, located at 228 Tower View, Fletcher, Henderson County, North Carolina (35-23-55.0 N, 082-29-31.5 W). This tower will serve as a transmitter site for the County's emergency communications system and is adjacent to an existing tower site.
